

We invite applications for a full-time, tenured position as Department Head and professor in the Department of Biochemistry and Biophysics at Oregon State University. We are seeking a successful, diversity-minded teacher-scholar to provide visionary long-term leadership for the department – including its teaching, research, and service missions – while leading a vigorous research program in an area that is synergistic with current research strengths of the department. Details about the Department can be found at <https://biochem.science.oregonstate.edu/>. For additional information please contact: Kim.McQueen@oregonstate.edu. To ensure full consideration, applications must be received by December 31, 2018. Applications will continue to be accepted after the full consideration date, until a sufficient applicant pool has been achieved or the position is filled. The closing date is subject to change without notice to applicants. OSU commits to inclusive excellence by advancing equity and diversity in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community.
